

# Teddy Bear News

## Important Dates

May 9, 2017      WUNS School Picnic  
Shaw Park North Shelter  
5:30-

May 16,  
2017      Last Day of School  
Ice Cream Truck Visits

## Classroom Happenings

The Teddies have been engaged in spring activities which included chicken eggs and caterpillars. The eggs were put in an incubator and then hatched within 21 days from the day of their arrival. There were 18 chicks which were different sizes and colors ranging from yellow to black.

Each day, the children observed the caterpillars in their small plastic cups with caterpillar food. After a week, we saw them develop their chrysalises and hang from the top of their cups. We moved the chrysalises into an enclosed netting habitat in case they became butterflies over the weekend. By this coming week, we should have at least twelve Painted Ladies.

## Outdoor Play

The Teddies took full advantage of the beautiful days outside in between the rainy days. We loved the sun and blue skies, the fresh air, the green grass, the flowers growing in the garden and just being outside.

Come On, Rain (Heese)

The Big Storm (Tafari)

Puddles (London)

Rain Drop Splash (Tresselt)

**SONGS** - "It is Raining"

"The Fuzzy Caterpillar"

"Up In the Sky"

"Drip, Drop"

As the school year comes to an end, we want to thank you for letting us be part of your children's lives, for your support, and friendship. We hope you have a fun filled summer and we look forward to seeing you in the fall. For those families who will be going on to another school, we wish you the best and hope you will keep in touch.

Much Love,

*Marbie and Chona*
