

Big Bear News

October, 2016

Washington University Nursery School

What's Happening In the Classroom?

Cartography/Map Making Discussion: *What is a Map and how do we use them?*

Most of Big Bears responded, and we will share those details later 😊 “Me on the Map” assisted the kids with the concept that a MAP is something seen from overhead, from above.

A few choices offered thus far in the unit...

Art Area: Creating Road Signs

Writing Area: Directional Words collage

Math/Manipulatives: World Map with animal figures of the world

Science: Making and posting N, S, E & W

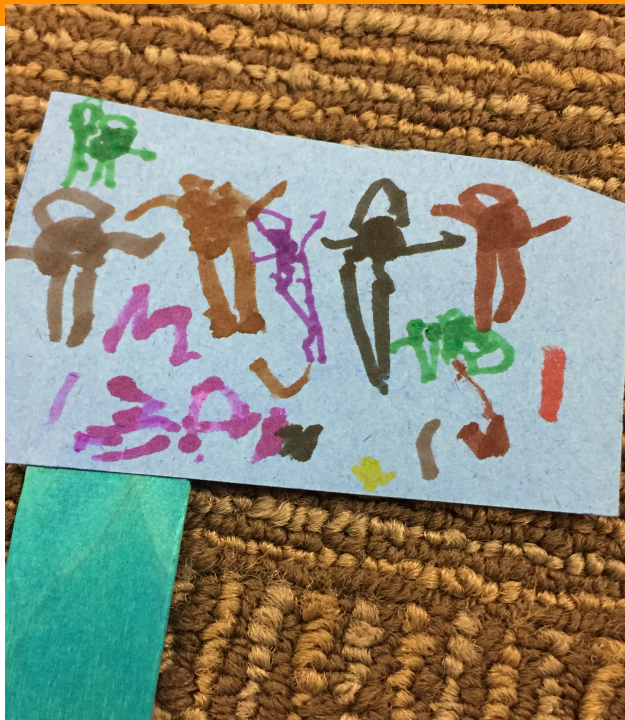

Important Dates:

October 6th School Pictures

October 7th NO SCHOOL~Professional Development Day

October 15th WUNS Open House 11:30-1:30pm

October 31st Halloween Celebration...details to coming soon 😊

Building Relationships

now and throughout the school year is a primary focus of WUNS teachers and teaching assistants by lending comfort, support & assistance for ...
