<p><b>Chorus</b>                      One - two <b>CHA CHA CHA.</b>                      Manners will make you a star.                      Three - four side to side.                      Manners you should never hide.                      One - two <b>CHA CHA CHA.</b>                      Three - four <b>CHA CHA CHA.</b>                      Mind your manners each day.</p>	<p><b>Chorus Movements</b>                      Side step to the right, bring feet together, shake hips.                      Arms and hands out wide and up high.                      Side step to the left, bring feet together, shake hips.                      Shake head and pointer finger in a "no no" motion.                      Side step to the right, bring feet together, shake hips.                      Side step to the left, bring feet together, shake hips.                      Make a big swooping motion with both hands.</p>
<p>When you want it, what do you say?                      "Por Favor" "Por Favor"</p> <p>When you get it, what do you say?                      "Gracias" "Gracias"</p> <p>Your manners say a lot about you.                      So show the world that manners matter to you.</p>	<p>Hands out in a questioning motion.                      Point index fingers to mouth and sing words with the song.</p> <p>Hands out in a questioning motion.                      Point index fingers to mouth and sing words with the song.</p> <p>Thumbs pointing in to chest.                      Arms out wide and turn around in a circle.</p>
<p><b>Repeat Chorus</b></p>	<p><b>Repeat Chorus Movements</b></p>
<p>When you don't want something now,                      "No Gracias" "No Gracias"</p> <p>And if you accidentally bump your friend,                      "Perdoname" "Perdoname"</p> <p>Your manners say a lot about you.                      So show the world that manners matter to you.</p>	<p>Shake head and pointer finger in a "no no" motion.                      Point index fingers to mouth and sing words with the song.</p> <p>Pretend to "bump" into someone with shoulder.                      Point index fingers to mouth and sing words with the song.</p> <p>Thumbs pointing in to chest.                      Arms out wide and turn around in a circle.</p>
<p><b>Repeat Chorus</b></p>	<p><b>Repeat Chorus Movements</b></p>
<p>When someone needs your help,                      "¿Te Ayudo?" "¿Te Ayudo?"</p> <p>And when they thank you for your help,                      "De Nada" "De Nada"</p> <p>Your manners say a lot about you.                      So show the world that manners matter to you.</p>	<p>Hands out in a questioning motion.                      Point index fingers to mouth and sing words with the song.</p> <p>Place first 2 fingers to your lips and then out in front.                      Point index fingers to mouth and sing words with the song.</p> <p>Thumbs pointing in to chest.                      Arms out wide and turn around in a circle.</p>
<p><b>Repeat Chorus</b></p>	<p><b>Repeat Chorus Movements</b></p>
<p>You've got to mind your manners each day!                      ¡OLÉ!</p>	<p>Make another big swooping motion with both hands.                      Strike an "Olé" pose and "freeze."</p>
